In 2011, a number of Asian professionals that participated in Asian Productivity Organization (APO) program on ISO26000 initiated a network in social responsibility and sustainability.

Social Responsibility Asia or **SR Asia** now is a global voluntary collaboration among individuals and support service organizations across Asian countries to promote social responsibility and sustainability.

Vision

A leading transnational networking organization that contributes to the development of a **sustainable Asia**

Mission

To make true a **green, healthy and prosperous Asia**
